The Undersigned is authorised to sign on behalf of the Applicant.

Name, Position, Organisation, Location, Date, Completed fully and truthfully, Signature

APPENDICES

Your application will only be considered complete and can only be taken into consideration if it includes the following appendices.

Project proposal

- a. a description of the project and the intended targets and results;
b. an action plan that includes technical specifications for the alternative fuel, a survey of the activities that will be executed within the project and a project planning;
c. a confirmation that the project satisfies the terms and conditions set out in Chapter 3 of the Incentive Scheme document, as well as an explanation how this is achieved;
d. a detailed explanation of how the project will contribute to the Incentive Scheme's objective as specified in article 2 of the Incentive Scheme document and its publicised targets;
e. a list of all parties involved in the project and their respective roles;
f. a specification of the amount that is being applied for;
g. an itemised budget for the total project expenses, broken down for each party involved, with balanced financials;
h. a section that clearly sets out why this project would not be feasible without a financial contribution from the Incentive Scheme;
i. a section describing how the applicant will be monitoring the achievement of the established targets.

Optional appendices
