

## Inland Port Tariffs Online Declaration Instruction Manual

**Dear Sir/Madam,**

You have elected to use the Online Declaration Form to pay your inland port dues in the Port of Rotterdam area. Very many thanks for this!

Please find enclosed the Inland Port Tariffs Online Declaration Instruction Manual. This manual describes how you should register and how to login for Online Declaration. You will also find information about the start screen and tool bar, and about changing your password and your details. There is also a description of how to make, change and send your declaration and how this is processed by the Port Authority.

In fact, with the Online Declaration Form you make your declaration as you always have done: the same details are important. However, the advantage is that your details always appear complete in the declaration.

Kind regards,

Port of Rotterdam Authority  
Port Tariffs Department
