## EXIT MOVED

TAKE EARLIER EXIT TO MAASVLAKTESTRAND OR RWG

The junction on Maasvlakweg towards Maasvlaktestrand, RWG terminal and Star Containerservices has been removed.

When driving from Rotterdam, you must now take the earlier exit 5 to access the new Prinses Amaliaviaduct. At the top of the viaduct, you will then turn:

- right for RWG and/or Star, or
- left and then immediately right for the beach.

Don't miss this exit: the next opportunity to leave Maasvlakweg is several kilometres further along.
